Procedure for Assessment of Documents. Award of Certificate. Refusal to Award

Article 11. (1) Upon receipt of the application and documents covered under Article 5 or 6 herein, the said application and documents shall be filed at the records office of the Agency, noting the date of submission of the application, the sequential number, the particulars of the applicant (business name/names, registered office and address of the place of management/permanent address).

(2) (Supplemented, SG, No. 62/2010) The Executive Director or an official empowered by him shall designate officers of the Agency to assess the application and the documents for conformity with the requirements of the IPA and of these Regulations, in the event that this activity is not carried out by an organisational structure according to the Structural Regulations of the InvestBulgaria Agency.

(3) The assessment referred to in Paragraph (2) shall furthermore include a verification for conformity of the costs of the investment projects to the financial capacities of the investor and sources of financing, certified according to the procedure established by Articles 5 and 6 herein, as well as to the terms established under Article 12 and Items 2 and 3 of Article 13a of the IPA.

(4) (Amended, SG, No. 62/2010) In case the officers referred to in Paragraph (2) ascertain any non-conformities and/or deficiencies in the application and the documents covered under Article 5 or 6 herein, the investor shall be notified in writing of the said non-conformities and/or deficiencies and shall be allowed up to two months from the submission of the application to cure the said non-conformities and/or deficiencies.

(5) The investor shall be notified by the Executive Director of the Agency or by an official empowered thereby, with the notice being dispatched on a paper-based medium or by electronic means in one or several of the following manners:

1. registered letter with an addressee's acknowledgement of receipt;

2. on a paper-based medium according to the procedure established by Item 1 and via electronic mail without use of an electronic signature;

3. by electronic means with use of an electronic signature.

(6) If the notice is not accepted by the person at the address named thereby, the notification shall be considered effected by posting the said notice in a place expressly designated for this purpose at the building of the Agency.

Article 12. (1) (Amended, SG, No. 62/2010) Where, upon assessment of the application and the investment project, it is incumbent to perform an evaluation within the competence of another body, the Executive Director of the Agency shall forward the investment project and shall request presentation of an opinion in the cases where:

1. a specific economic activity or products produced for implementation of the investment project have to be evaluated;
2. (Amended, SG, No. 62/2010) the possibilities for application of the investment promotion measures under Article 22, 22a or 22f, Paragraph (2) of the IPA have to be evaluated in advance;
3. the procedures under Chapter Three of the State Aids Act must be applied.

(2) The competent authorities shall present their opinions within fourteen days after receipt of the request, with the exception of the cases where a special law provides otherwise.

Article 13. (1) (Amended, SG, No. 62/2010) After performance of an assessment of the application and the documents covered under Articles 5 and 6 herein, the officers referred to in Article 11 (2) herein shall prepare an opinion on award of an investment class certificate.

(2) On the basis of the opinion so prepared, the Executive Director or the official empowered thereby shall provide the Minister of Economy, Energy and Tourism with a reasoned proposal to award or to refuse to award a certificate within thirty days after receipt of the application.

(3) The proposal referred to in Paragraph (2) shall contain:

1. a full and accurate reasoned evaluation for the award of an investment class certificate in accordance with the requirements of the IPA and of these Regulations, or
2. grounds for a refusal to award an investment class certificate under Article 19a of the IPA.

(4) The documents covered under Article 5 or Article 6 herein shall be attached to the application.

(5) Where any non-conformities and/or deficiencies are ascertained according to the procedure established by Article 11 (4) herein, the time limit referred to in Paragraph (2) shall begin to run as from the date of the curing of the said non-conformities and/or deficiencies.

(6) In the case of any non-conformities and/or deficiencies ascertained according to the procedure established by Article 11 (4) herein, which are not cured within six months reckoned from the date of submission of the application, the Executive Director shall notify the Minister of Economy, Energy and Tourism of the expiry of the time limit according to the procedure established by Paragraph (2).

Article 14. (1) (Supplemented, SG, No. 20 of 2009, effective 17.03.2009, Amended, SG, No. 62/2010) The Minister of Economy, Energy and Tourism or an official empowered thereby shall examine the proposal referred to in Article 13 (2) herein and:

PROCEDURE FOR INDIVIDUALIZED ADMINISTRATIVE SERVICES BY THE INVESTBULGARIA AGENCY AND LOCAL EXECUTIVE AUTHORITIES

(Title amended, SG No. 62/2010)

Article 20. (1) (Supplemented, SG, No. 62/2010) Individualised administrative services shall be provided by officers of the Agency in dealings with the central government authorities at the request of an investor who has received a Class A investment certificate or a certificate for a priority investment project.

(2) (Supplemented, SG, No. 62/2010) A request shall be submitted to the Agency by the investor or by a person authorised thereby in accordance with the procedure set out in Article 7, Paragraph (1) herein.

(3) Any such request shall be filed in an incoming register, noting the date of receipt thereof.

Article 21. (1) (Supplemented, SG, No. 62/2010) Individualised administrative services shall be performed by officers designated according to a list endorsed by the Executive Director of the Agency, in the event that this activity is not carried out by an organisational structure(s) according to the Structural Regulations of the InvestBulgaria Agency..

(2) In respect of each request filed, the Executive Director of the Agency shall designate the officers who will provide the individualised administrative services as may be necessary for the implementation of the relevant investment project.

Article 22. (1) (Amended, SG, No. 62/2010) Upon implementation of individualised administrative services, the officers referred to in Article 21 (1) herein shall be obligated:

1. to provide investors with a clear, accurate, reliable and comprehensive information on issues within the competency of the Agency and to provide assistance in solving the specific problems, which might arise in the course of the implementation of the investment:

2. to answer queries in connection with the required procedures and to refer them to the administrative authorities competent to address the relevant question;

5. to contact other executive and local authorities and to assist in the organisation of meetings between investors and the relevant competent authorities.

(2) The investor may authorise the officers referred to in Article 21 (1) herein:

1. to submit to the relevant competent authorities and to receive therefrom all requisite documents for implementation of the investment project, or

2. to participate, together with representatives of the investor, in all activities related to the submission to the relevant competent administrative authorities and to the receipt therefrom of all requisite documents for implementation of the investment project.

(3) The investor shall co-operate with the officers of the Agency by providing the necessary documents, including documentary proof of payment of fees.

(4) Individualised administrative services shall be provided by the Agency free of charge. Any fees established by a statutory instrument for the issuing of documents and/or for the performance of administrative services shall be for the account of the investor.

Article 23. (1) (Redesignated from Article 23, SG No. 62/2010) Except for the cases referred to in Article 20 (1) herein, individualised administrative services shall be provided by officials of the local executive authorities in dealings with the relevant competent authorities at the request of an investor who has received a Class A investment certificate or a certificate for a priority investment project.

(2) (New, SG, No. 62/2010) The request referred to in Paragraph (1) shall be submitted by the investor or by a person authorised thereby in accordance with the procedure set out in Article 7, Paragraph (1) herein through the Agency or directly to the corresponding local executive authority.

(3) (New, SG, No. 62/2010) Any such request shall be entered in an incoming register, noting the date of receipt thereof.

(4) (New, SG, No. 62/2010) Upon implementation of individualised administrative services, the officers referred to in Paragraph (1) shall be obligated:

1. to provide clear, accurate, reliable and comprehensive information on the procedures required for the implementation of the project, which shall include:

- a) accurate designation of the administration;
 - b) seat and address, as well as the addresses of the territorial units, if any;
 - c) contact details: telephone, electronic mail address and Internet site;
 - d) business hours of the administrative services unit at the administration;
 - e) regulatory framework relevant to the provision of the administrative service;
2. to answer queries in connection with the required procedures and to refer questions to the administrative authorities competent to address the relevant question;
3. to clarify the requirements which the application or the request for implementation of the administrative service, the complaint, protest, alert or proposal must meet under the relevant procedure;
4. To provide the investor with:
- a) comprehensive and accurate information about the documents required, the deadlines and the fees under the special laws;
 - b) standard forms of documents which must be completed for the provision of the administrative service;
 - c) information about the period of validity of the individual administrative act for the issuing of which an application is submitted;
5. to contact the relevant competent authorities and to assist the issuing and receipt therefrom of all documents necessary for the implementation of the relevant investment and for carrying out of the economic activity related to the said investment.
- (5) (New, SG, No. 62/2010) The Investor may authorise the officers referred to in Paragraph (1) and provide the assistance required in accordance with the procedure set out in Article 22, Paragraphs (2) and (3) herein.

(6) (New, SG, No. 62/2010) Individualised administrative services shall be provided by the local executive authorities referred to in Paragraph (1) free of charge. The fees set in statutory instruments for issuing of documents and/or for provision of administrative services shall be borne by the investor.

Article 24. (1) The Executive Director of the Agency shall notify the relevant local executive authority exercising competence over the location of the investment of the intention of the investor to use individualised administrative services specified in the application referred to in Article 4 herein.

(2) The notification referred to in Paragraph (1) shall furthermore include a request to the relevant local executive authority to designate the officers who will implement the individualised administrative services to the investor.

(3). (Repealed, SG, No. 62/2010)

Article 25. (Amended, SG, No. 62/2010) All executive authorities shall be obligated to co-operate with the officers, providing individualised administrative services.

Article 26. (Supplemented, SG, No. 62/2010) Individualised administrative services shall be provided for the period of implementation of the Class A investment or the priority investment project and the economic activity related to the said investment, but the period of the said services may not exceed the period of validity of the certificate.

Article 27. Administrative services under this Section shall be implemented in compliance with the principles and procedure established by the Administration Act, the Administrative Procedure Code and the statutory instruments on the application thereof.

Chapter Four

SALE AND ONEROUS CREATION OF LIMITED RIGHT *IN REM* TO CORPOREAL IMMOVABLE CONSTITUTING PRIVATE STATE PROPERTY, PRIVATE MUNICIPAL PROPERTY OR PROPERTY OF SOLE PROPRIETOR COMMERCIAL COMPANIES WITH STATE OR MUNICIPAL PARTICIPATION

(Title amended, SG No. 62/2010)

Article 28. (1) A sale or an onerous creation of a limited right *in rem* to a corporeal immovable constituting private state property under Article 22a of the IPA may be effected if the following conditions apply:

- 1. (Amended, SG, No. 62/2010) the investor has presented a request to the relevant competent authority referred to in Article 22a (1) or (10) of the IPA, and

2. (Amended, SG, No. 62/2010) the investor has been awarded a Class A or Class B investment certificate or a certificate for a priority investment project.

(2) (Amended, SG, No. 62/2010) The written request referred to in Item 1 of Paragraph (1) must contain the business name of the investor, the number and date of the investment class certificate and the corporeal immovable with the location identified in the investment project for which a certificate has been issued and the agreement/memorandum of understanding for a priority investment project approved by virtue of a Council of Ministers Decision.

(3) (Amended and supplemented, No. 20 of 2009, effective 17.03.2009) The investment project referred to in Article 8 herein, the documents referred to in Item 4 of Article 16 of the IPA and the corresponding documents specified in Article 5, Paragraph (1) regarding the legal entity incorporated in accordance with Article 17 of the IPA, if it has been registered, shall be attached to the written request referred to in Item 1 of Paragraph (1).

(4) Buildings and other establishments, which have been financed by resources of the European Union, may not be subject to the request referred to in Item 1 of Paragraph (1) and to the contract referred to in Article 31 herein, save in the cases where the request is submitted ten years after completion of the construction work.

(5) (New, SG, No. 62/2010) A sale or an onerous creation of a limited right *in rem* to a corporeal immovable for priority investment projects under Article 22a, Paragraphs (9) to (10) of the IPA and in the event of implementing the measure under Article 22a, Paragraph (11) of the IPA Act, shall be also effected by satisfying all conditions for regional aid in accordance with the requirements set out in Regulation No. 800/2008.

Article 29. (1) (Amended, SG, No. 62/2010) After obtaining a written consent from the authorities and persons referred to in Article 22a (1) or (10) of the IPA, the relevant competent authority shall empower officials to conduct negotiations with the investor on conclusion of a contract with the investor for sale or onerous creation of a limited right *in rem* to a corporeal immovable.

(2) Upon conduct of the negotiations, the relevant competent authority may require in writing from the investor additional information in connection with the application of the measure under Article 22a of the IPA, allowing a suitable time limit for provision of the said additional information.

(3) (New, SG, No. 62/2010) The authority or person referred to in Paragraph (1) may commission an assessment of the adequacy of the size of the property for the purpose of implementation of the investment project, in accordance with Article 22a (2) of the IPA Act.

Article 30. (1) (Previous Article 30, SG No. 62/2010) The appraisal of the corporeal immovable or of the limited right *in rem* shall be conducted in conformity with the following requirements:

1. prior to commencement of the negotiations referred to in Article 29 (1) herein, the procedure referred to in Article 22a (2) of the IPA shall be applied for the purpose of arriving at a market price based on generally accepted market benchmarks and standards for the appraisals, which shall be considered a minimum purchase price;

2. (Amended, SG, No. 62/2010) the procedure referred to in Article 22a (2) of the IPA shall be applied by independent appraisers having at least three years of professional experience in valuation of corporeal immovables.

(2) (New, SG, No. 62/2010) Where properties are transferred or rights are established at prices lower than the market prices for the purpose of promoting priority investment projects, the appraisal referred to in Paragraph (1):

1. shall include the difference between the market price and the sale price, where the latter may not be lower than the tax assessment of the property; the market appraisal and the tax assessment of the property shall be valid as at the date of carrying out the disposal transaction involving the property as set out in Article 31 herein;

2. the difference determined in accordance with Item 1 shall serve to calculate the gross grant equivalent for the purposes of meeting the requirements for granting of regional aid under Article 53 herein.

(3) (New, SG, No. 62/2010) An appraisal by an independent appraiser shall also be carried out in the cases of applying the measure for letting out as specified in Article 22a (11) of the IPA for priority investment projects.

Article 31. (1) A contract for the sale of the onerous creation of a limited right *in rem* to a corporeal immovable under Article 22a of the IPA and the implementation of the investment project shall be concluded between:

1. the investor and/or the persons referred to in Article 17 (1) of the IPA, of the one part, and
2. (Amended, SG, No. 62/2010) the relevant competent authority referred to in Article 22a (1) or (10) of the IPA, and
3. (Repealed, SG, No. 20 of 2009, effective 17.03.2009).

(2) (Amended, SG, No. 62/2010) The contract referred to in Paragraph (1) shall contain all requirements of the IPA regarding the investment project and the investor, as well as the conditions and requirements for the granting of state aid under the regional development scheme in the cases specified in Article 28 (5) herein:

1. subject matter of the contract;
 2. contracting parties;
 3. title of the investment project;
 4. principal rights and obligations;
 5. type and amount of the investment;
 6. time limit for performance of the investment project and period for maintenance of the investment as specified in Item 8 of Article 12 (2) of the IPA;
 7. description of the immovable subject to the sale or to the creation of a limited right *in rem*, according to the requirements of the Cadastre and Property Register Act;
 8. price of the immovable or of the limited right *in rem*, and in the cases of sale at a price lower than the market price for priority investment projects, the difference, determined in accordance with Article 30 (2) herein, shall be mandatorily identified as state aid under the regional investment aid scheme;
 9. time limit and conditions for transfer of the immovable or for creation of the right *in rem*;
 10. prohibition to dispose of and to encumber the immovable with charges, as well as to transfer the limited right *in rem* to the corporeal immovable to another person in accordance with Article 22a (7) of the IPA;
 11. creation of a mortgage in the event of a transfer of the immovable, and in the remaining cases - another security interest;
 12. conditions for exercise of the rights to the mortgage;
 13. manner and time period of reporting the performance of the investment project, taking into account the eligible investments under Article 54 herein;
 14. type and amount of the liability incurrable for non-fulfilment of the obligations under the contract;
 15. control over the fulfilment of the obligations by the parties;
 16. methods of settlement of disputes between the parties;
 17. grounds for early termination of the contract, including under the conditions of Article 22a (3) of the IPA, and rights of the party not at fault;
 18. other elements on which the parties have reached agreement;
 19. the amount of the aid related to the non-payment of state fees owed for the change of the land use for the implementation of priority investment projects under Article 22a (12) of the IPA and the beneficiary of the aid with a view to assessing the presence or absence of a state aid component under the regional aid scheme.
- (3) The investment project shall constitute an integral part of the contract referred to in Paragraph (1).
- (4) The contract referred to in Paragraph (1) shall be concluded in writing and shall be recorded by command of the recording magistrate exercising jurisdiction over the location of the immovable.
- (5) The costs of the sale of the corporeal immovable or of the creation of the limited right *in rem* shall be for the account of the investor.
- (6) (Amended, SG, No. 62/2010) The establishing of a mortgage shall be for a period of not less than 5 years for large enterprises and technological parks and 3 years for small and medium-sized enterprises, as from the date of implementation of the investment project, in accordance with the requirements of Article 22a (7) of the IPA.

(7) (New, SG, No. 62/2010) The co-ordination with the competent authorities under Article 22a (10) of the IPA shall be carried out after the appraisal referred to in Article 30 herein and the draft contract referred to in Paragraph 1 are provided together with all documents and evidence required for verifying the compliance with the requirements in the event of implementing the regional aid scheme to priority investment projects.

(8) (New, SG, No. 62/2010) The corresponding competent authority under Paragraph 1 shall send the contract to the Agency within 7 days of its conclusion in accordance with Article 22a (5) of the IPA.

(9) (New, SG, No. 62/2010) The competent authority under Paragraph 1, granting regional aid for priority investment projects, shall carry out the stipulated functions of an aid administrator in accordance with the procedure specified in the State Aid Act and the Regulations on its implementation.

Article 31a. (New, SG, No. 62/2010) For letting out of corporeal immovables by sole proprietor companies with state or municipal participation in accordance with Article 22a (11) of the IPA for the implementation of priority investment projects, a contract shall be concluded in accordance with the extant legislation by and between:

1. the investor and/or the persons referred to in Article 17 (1) of the IPA, implementing the priority project, on the one hand, and
2. the individuals representing the company.

Article 32. (1) Upon the sale or creation of a limited right *in rem* to a corporeal immovable by the contract referred to in Article 31 (1) herein, special obligations in the public interest may be stipulated in connection with the land and the buildings but not in connection with the buyer or with the commercial activity thereof, provided that each potential buyer is required to be in a position to fulfil the special obligations, regardless of whether the said buyer carries out any activity or regardless of the nature of the said activity.

(2) The resources necessary for fulfilment of the obligations of the owner of the corporeal immovable arising from a law shall not be deducted from the selling price (such as: care of the land and the buildings and maintenance of the said land and buildings as part of the customary social obligations of the owners, payment of taxes and other such expenditures).

Article 33. (1) Where the competent local executive authorities have not complied with the conditions established by this Chapter, the said authorities shall notify the European Commission of the intention thereof to transfer the right of ownership or to create the limited right *in rem*.

(2) The notification referred to in Paragraph (1) shall be effected according to the procedure established by the State Aids Act.

Chapter Five

(Effective by 31.12.2013, see § 38 of the Transitional and Final Provisions to Council of Ministers Decree 55 of 6 March 2009 amending and supplementing the Regulations for Application of the Investment Promotion Act – SG, No. 20 of 2009)

FINANCIAL SUPPORT FOR CONSTRUCTION OF PHYSICAL-INFRASTRUCTURE ELEMENTS

Article 34. The Minister of Economy, Energy and Tourism shall lay before the Council of Ministers a motion for promotion of one or more investment projects by the measure referred to in Article 22b of the IPA if the following conditions apply:

1. (Amended, SG, No. 62/2010) a request has been received at the Ministry of Economy, Energy and Tourism in one of the manners specified in Article 7 (1) from:

(a) an investor who has been awarded a Class A investment certificate, or

(b) (Supplemented, SG, No. 62/2010) two or more investors who have been awarded an investment class certificate, with an investment located within an industrial zone, hereinafter referred to as “the investor”, or

(c) (New, SG, No. 62/2010) an investor implementing a priority investment project under Chapter Eight of these Regulations;

2. (Supplemented, SG, No. 62/2010) a design (conceptual, schematic or working), approved by the owner of the technical infrastructure and contracting authority under the Public Procurement Act, has been presented with a bill of quantities for construction of the physical-infrastructure elements which, according to the requirements of Article 142 of the Spatial Development Act, may serve for the issuing of a building permit and for the award of a construction work under the Public Procurement Act;

3. (Supplemented, SG, No. 20 of 2009, effective 17.03.2009, SG, No. 62/2010) the documents referred to in Item 4 of Article 16 of the IPA, the corresponding documents referred to in Article 5, Paragraph (1) regarding

the incorporated legal entity under Article 17 of the IPA, if such an entity has been registered, and a declaration in a special form, approved by the Executive Director of the Agency, about the state aid received during the last 3 years, including the current aid for the investor or the persons under Article 17 of the IPA, in the events outside Article 36 herein, have been presented;

4. (Supplemented, SG, No. 20 of 2009, effective 17.03.2009) an investment project has been approved for promotion after conduct of a competitive procedure under Article 35 herein, where applicable;

5. the conditions covered under Articles 36 to 38 herein have been verified.

Article 35. (1) The competitive procedure shall be held for assessment and selection of investment projects for promotion on the basis of the documents covered under Items 1 to 3 of Article 34 herein.

(2) (Amended, SG, No. 62/2010) The assessment referred to in Paragraph (1) shall be performed at the beginning of each quarter in four sessions during a calendar year until the funds under the IPA, envisaged in the State Budget of the Republic of Bulgaria Act for the corresponding year, are spent.

(3) (Amended, SG, No. 62/2010) The remaining portion of the resources planned under Paragraph (2) shall be projected for each session of the assessment after deduction of the resources according to contracts concluded or decisions made by the Council of Ministers for projects which are to be financed during the current year.

(4) The competitive procedure shall be held on the basis of a methodology for performance of the assessment, endorsed by the Minister of Economy, Energy and Tourism and published on the Internet site of the Ministry of Economy, Energy and Tourism.

(5) The assessment shall be performed on the basis of the following criteria and priorities:

1. amount of investments under the investment project to be implemented during a three-year period;
2. (Amended, SG, No. 20 of 2009, effective 17.03.2009) amount of State resources for construction of the physical infrastructure according to the design referred to in sub-paragraph 2 of Article 34 herein;
3. implementation of investments in high technology production and services covered under Article 3 (5) and (6) herein;
4. implementation of investments in municipalities referred to in Article 3 (2) herein.

(6) The requests for promotion shall be ranked on the basis of the criteria and priorities covered under Paragraph (5).

(7) The Minister of Economy, Energy and Tourism shall lay before the Council of Ministers a motion according to the procedure established by Article 34 herein observing the order of the ranking, and the total amount of the requests must be within the limits of the resources provided for under Paragraph (3).

(8) (Amended, SG, No. 62/2010) The motions which have dropped out of the ranking under Paragraph (7) shall be included in the next succeeding evaluation session, but may not be included in more than six such sessions.

(9) The motion shall be laid before the Council of Ministers according to the procedure established by Article 34 herein, without applying the procedure for selection and ranking solely in the cases where the total amount of all requests received is up to the amount of the resources under Paragraph (3).

(10) (Supplemented, SG, No. 62/2010) The evaluation and ranking of the requests shall be performed by officials empowered by the Minister of Economy, Energy and Tourism and/or by an organisational structure pursuant to the Structural Regulations of the Ministry of Economy, Energy and Tourism.

Article 36. (Amended, SG, No. 20 of 2009, effective 17.03.2009)

(1) Financial support is not state aid for enterprises in the meaning of § 1, sub-paragraph 1 of the Additional Provision of the State Aid Act, provided that the following conditions are cumulatively fulfilled:

1. the financial support is intended for construction of elements of the public (state or municipal) technical infrastructure to the boundaries of the property in which the investment is made;
2. (Amended, SG, No. 62/2010) the funds are granted to an executive authority, public undertaking or trader in its capacity of owner of the infrastructure referred to in sub-paragraph 1, who is a client, according to the procedure of Article 7 of the Public Procurement Act, of the design and construction of the infrastructure;

3. (Amended, SG, No. 62/2010) the public procurement is done by carrying out an open procedure under the Public Procurement Act or open competition under the Ordinance on the Award of Small Public Procurements, adopted with Council of Ministers Decree 249 of 2004 (promulgated, SG, No. 84 of 2004; corrected, No. 93 of 2004; amended and supplemented, No. 59 of 2005, No. 53 of 2006, No. 83 of 2007 and No. 3 and 34 of 2009);

4. the infrastructure is used not only by the person referred to in Article 34, sub-paragraph 1, but also by all existing and potential consumers at equal and non-discriminative conditions.

Article 37. (1) (Amended and supplemented, No. 20 of 2009, effective 17.03.2009) The Minister of Economy, Energy and Tourism or an official empowered thereby shall assess the conformity of each ranked project for financial support for the construction of infrastructure with the requirements of Commission Regulation (EC) No 1998/2006 of 15 December 2006 on the application of Articles 87 and 88 of the Treaty to *de minimis* aid (OJ, L 379 of 28.12.2006).

(2) (Amended, No. 20 of 2009, effective 17.03.2009) In case the value of the financial support for each undertaking does not exceed the lev equivalent of EUR 200,000, EUR 100,000 respectively for undertakings operating in the "road sector" branch, for each triennial period, and the support fulfils all conditions of the Regulation referred to in Paragraph (1), the Minister of Economy, Energy and Tourism shall lay the motion under Article 34 herein before the Council of Ministers.

Article 38. (Amended, No. 20 of 2009, effective 17.03.2009) Where the conditions under Articles 36 and 37 herein do not apply, the Minister of Economy, Energy and Tourism or an official empowered thereby shall assess the conformity of each ranked project for construction of infrastructure with the requirements of Regulation No 800/2008 and with the terms established by Chapter Seven herein.

Article 39. (1) Where the conditions under Articles 36 to 38 herein do not apply, the Minister of Economy, Energy and Tourism or an official empowered thereby shall prepare the information necessary for notification to the European Commission of the intention to allocate financial support for construction of physical-infrastructure elements according to the procedure established by Article 7 of the State Aids Act.

(2) Until a positive decision of the European Commission, the resources for financial support for construction of physical-infrastructure elements shall not be provided.

Article 40. (1) (Amended, SG, No. 62/2010) The Council of Ministers shall adopt a decree on allocation of resources from the executive budget under the project for construction of physical-infrastructure elements.

(2) In case the circumstances under Article 39 herein apply, the said decree shall be adopted and the funds under Paragraph (1) shall be allocated after a positive decision of the European Commission on the provision of the financial support.

(3) The funds under Paragraph (1) shall be allocated where at least 50 percent of the specified threshold amount of the investment for issuing of the corresponding investment class certificate is implemented and up to the third year from the start of the works / activities under the investment project.

(4) In the events where the investor or the owner of the public technical infrastructure has carried out at his own expense the design and construction of the infrastructure in accordance with a design agreed in advance and a contract with the Council of Ministers under this Chapter, the resources shall be reimbursed within 60 days of the submission of the supporting documents required under the contract approved, and provided that the requirements of Paragraph (3) are met.

Article 41. (1) (Supplemented, SG, No. 62/2010) The Council of Ministers shall adopt a decision approving the draft contracts and authorising the Minister of Economy, Energy and Tourism to conclude contracts:

1. with the investor and/or with the persons referred to in Article 17 (1) of the IPA, as well as
2. with the person who awards the designing and construction of the physical-infrastructure elements, related to the implementation of the investment design, up to the property line according to the procedure established by the Public Procurement Act and the Ordinance on the Award of Small Public Procurements.

(2) By the contract referred to in Item 1 of Paragraph (1), the investor shall undertake to perform the investment project, and the State shall undertake to provide resources for construction of physical-infrastructure elements from the nearest constructed elements to the property border line according to the design referred to in Item 2 of Article 34 herein.

(3) The contract referred to in Item 1 of Paragraph (1) shall mandatorily contain:

1. subject matter of the contract;

2. contracting parties;
3. title of the investment project;
4. principal rights and obligations;
5. type and amount of the investment;
6. time limit for performance of the investment project and period for maintenance of the investment;
7. description of the infrastructure elements with characteristics and parameters;
8. time limit for construction of the infrastructure, disaggregated by stage, and provision of the resources;
9. type and amount of the security to be furnished for fulfilment of the obligations under the contract;
10. manner of reporting the performance of the investment project;
11. type and amount of the liability incurrable for non-fulfilment of the obligations under the contract;
12. control over the fulfilment of the obligations by the parties;
13. methods of settlement of disputes between the parties;
14. grounds for early termination of the contract and rights of the party not at fault;
15. other elements on which the parties have reached agreement.

(4) The investment project shall constitute an integral part of the contract referred to in Item 1 of Paragraph (1).

(5) By the contract referred to in Item 2 of Paragraph (1), the relevant person shall undertake to ensure the designing and construction of the physical-infrastructure elements, as specified between the parties in the contract referred to in Item 1 of Paragraph (1), through conduct of procedures according to the procedure established by the Public Procurement Act and the Ordinance on the Award of Small Public Procurements.

(6) The contract referred to in Item 2 of Paragraph (1) shall mandatorily contain:

1. subject matter of the contract;
2. time limit for execution of the infrastructure facility;
3. stages of construction of the facility and pecuniary resources projected for each stage;
4. principal rights and obligations;
5. type and amount of the security to be furnished for fulfilment of the obligations under the contract;
6. type and amount of the liability incurrable for non-fulfilment of the obligations under the contract;
7. control over the fulfilment of the obligations by the parties;
8. methods of settlement of disputes between the parties;
9. grounds for early termination of the contract and rights of the party not at fault;
10. other elements on which the parties have reached agreement.

(7) The design referred to in Item 2 of Article 34 herein shall constitute an integral part of the contract referred to in Item 2 of Paragraph (1).

(8) The contracts covered under Paragraph (1) shall enter into force after a positive decision of the European Commission on provision of the financial support, if the circumstances under Article 39 herein apply.

(9) (New, SG, No. 62/2010) Standard forms of contracts under Paragraph (1) shall be made available on the internet site of the Ministry of Economy, Energy and Tourism on the basis of contracts for allocation of funds approved by the Council of Ministers.

Chapter Six

(Effective by 31.12.2013, see § 38 of the Transitional and Final Provisions to Council of Ministers Decree 55 of 6 March 2009 amending and supplementing the Regulations for Application of the Investment Promotion Act – SG, No. 20 of 2009)

2. there is an investment project which:
 - (a) is performed in the high technology activities covered under Article 3 (5) or (6) herein, or
 - (b) is implemented in the municipalities referred to in Article 3 (2) herein, and
 - (c) satisfies the rest of the requirements under Article 22c (1) of the IPA;
3. (Supplemented, SG, No. 20 of 2009, effective 17.03.2009) a training project, including brief information about the incentive effect of the measure in the meaning of Article 8, paragraphs (2) and (3) of Regulation No 800/2008, has been presented;
4. (Supplemented, SG, No. 20 of 2009, effective 17.03.2009) the documents referred to in Item 4 of Article 16 of the IPA, the corresponding documents referred to in Article 5, Paragraph (1) regarding the incorporated legal entity under Article 17 of the IPA, if such an entity has been registered, and a declaration in a special form, approved by the Executive Director of the Agency, about the state aid received during the last 3 years, including the current aid for the investor or the persons under Article 17 of the IPA, have been presented;
5. (Supplemented, SG, No. 20 of 2009, effective 17.03.2009) an investment project has been approved for promotion after conduct of a competitive procedure according to the procedure established by Article 43 herein, where applicable.
6. (New, SG, No. 20 of 2009, effective 17.03.2009) the conditions covered under Sections II and III of this Chapter have been verified.

(2) The training project referred to in Item 3 of Paragraph (1) must satisfy the following requirements:

1. (Amended, SG, No. 62/2010) under Article 22c (1) of the IPA for attainment of professional qualification of not less than 50 persons, including trainees from the higher schools, who have occupied the new jobs created in the course of the implementation of the investment;
2. under Article 22c (4) of the IPA;
3. under Article 44 herein.

Article 43. (1) The competitive procedure for assessment and selection of investment projects for promotion by the measure referred to in Article 22c of the IPA shall be held on the basis of the documents covered under Items 1 to 4 of Article 42 (1) herein.

(2) The assessment shall be performed according to the procedure established by Article 35 herein.

(3) The assessment shall be performed on the basis of the following criteria:

1. amount of investments under the investment project to be implemented within a three-year period;
2. amount of State resources for implementation of the training project referred to in Item 3 of Article 42 (1) herein;
3. (Amended, SG, No. 62/2010) quality of the training project according to an opinion of the Minister of Education, Youth and Science in the cases where the professional qualification attained will be used not only for the performance of the investment project and the document referred to in Article 44, Item 7 herein will be issued.

(4) The Minister of Economy, Energy and Tourism shall lay a motion before the Council of Ministers according to the procedure established by Article 42 herein observing the order of the ranking, and the total amount of the requests must be within the limits of the resources provided for under Article 35 (3) herein.

Article 44. (Amended, SG, No. 62/2010) The training project referred to in Article 42 (1), Item 3, and Article 42 (2) herein, applying for financial support for acquiring professional qualification, shall relate to specific training in the meaning of Article 38 of Regulation No. 800/2008 and shall contain information on:

1. the purpose and time limit of training, including expected start and end dates (month, year) for the training;
2. form of organisation and place of delivery of the training;

3. detailed curriculum, including subjects and number of periods;
4. number of factory/office workers: total and disaggregated by principal group of occupations and positions;
5. training organisation or independent training by the investor;
6. estimate of planned costs of the project: total and disaggregated by year;
7. a document of professional qualification, issued according to the Vocational Education and Training Act, if the training is delivered not only for performance of the investment project.

Article 45. (Amended, SG, No. 20 of 2009, effective 17.03.2009, SG, No. 62/2010) The Minister of Economy, Energy and Tourism or an official empowered thereby shall agree the project for specific training submitted by requesting a written opinion from:

1. the Minister of Education, Youth and Science, where the professional qualification attained is envisaged to be used not only for the performance of the investment project and the document referred to in Article 44, Item 7 will be issued;
2. the Executive Director of the Employment Agency for assessment of the compliance of the training project submitted with the requirements of Regulation No. 800/2008 and in connection with the follow-up control of the contract for the implementation of the training project and the obligations of the investor related to employment.

(2) The opinions referred to in Paragraph (1) shall be provided within 14 days of the date of receipt of the training project.

(3) The materials shall be deemed to have been agreed without comments, if no opinion is received within the deadline specified in Paragraph (2).

Section II

Conditions for Exemption from Prior Notification to the European Commission

(Heading amended, SG, No. 20 of 2009, effective 17.03.2009)

Article 45a. (New, SG, No. 20 of 2009, effective 17.03.2009) (1) The individual aid granted under an aid scheme for training, which fulfils all conditions of Chapter I and Chapter II, Section VIII of Regulation No 800/2008, shall be compatible with the common market in the meaning of Article 87, Paragraph (3) of the Treaty establishing the European Community and shall be exempted from the obligation for providing information under Article 88, Paragraph (3) of the Treaty.

(2) Each measure for individual aid, granted under Regulation No 800/2008, shall explicitly contain a reference to the specific provisions of Chapter II of Regulation No 800/2008 and to the national legislation on which the individual aid is based and shall be reflected in the corresponding act for granting the aid under Article 49 and in the contract with the beneficiary of the aid under Article 50, Paragraph (2).

(3) No aid shall be provided for promotion of investments which, pursuant to Chapter I, Article 1, subparagraph 2 of Regulation No 800/2008 are:

1. aid to export-related activities, namely aid directly linked to the quantities exported, to the establishment and operation of a distribution network or to other current costs linked to the export activity;
2. aid contingent upon the use of domestic over imported goods.

Article 46. (1) The resources for financial support are allocated to cover the following eligible costs of the training project:

1. trainers' personnel costs;
2. (Amended, SG, No. 20 of 2009, effective 17.03.2009) travel and subsistence expenses of the trainees and trainers;
3. (Amended, SG, No. 20 of 2009, effective 17.03.2009) other current expenses, such as materials and consumables directly related to the project;
4. depreciation of assets to the extent that they are used exclusively for the training project;
5. cost of management and consulting services with regard to the training project;
6. (Amended, SG, No. 20 of 2009, effective 17.03.2009) costs related to trained personnel and general indirect costs (administrative expenses, rents, overhead expenses) up to the amount of the total of the eligible costs referred to in Items 1 to 5; with regard to the costs related to trained personnel may be taken into account only in respect of the hours during which the trainees actually participate in the training, after deduction of any productive hours;

7. (New, SG, No. 62/2010) costs for audit of the project implemented, which may not exceed one percent of the eligible costs of the training project.

(2) (Supplemented, SG, No. 20 of 2009, effective 17.03.2009) The costs covered under Paragraph (1) shall be taken before any deduction for taxation and fees.

(3) (Amended, SG, No. 20 of 2009, effective 17.03.2009, SG, No. 62/2010) The amount of resources for financial support under this Section may not exceed 25 percent of the eligible costs for specific training in connection with Article 39, Item 2, Littera (a) of Regulation No. 800/2008:

1. twenty five percent of the eligible costs for specific training;
2. sixty percent of the eligible costs for general training.

(4) (Amended, SG, No. 20 of 2009, effective 17.03.2009, SG, No. 62/2010) The intensity of the support under Paragraph (3) can be increased:

1. by 10 percentage points if the aid is intended for training of workers with disabilities or disadvantaged workers;
2. by 10 percentage points if the aid is granted to medium-sized enterprises and by 20 percentage points if the aid is granted to small enterprises.

(5) (New, SG, No. 20 of 2009, effective 17.03.2009) In order to calculate the aid payable in several instalments, it shall be discounted to its value at the moment of granting of the said aid, using the reference interest rate used for state aid.

Article 47. The total amount of resources for financial support, received according to the procedure established by this Section and from financing by other State resources or Community resources in connection with the same eligible costs, may not exceed the amount covered under Article 46 (3) herein.

Section III

Financial Support Subject to Prior Notification to the European Commission

Article 48. (1) (Amended, SG, No. 20 of 2009, effective 17.03.2009, SG, No. 62/2010) In case the resources for financial support for a training project, received in accordance with the procedure of this Chapter and by way of financing with other state resources or Community resources, exceed the lev equivalent of EUR 2 million, or the training project does not conform to the conditions under Section II, the Minister of Economy, Energy and Tourism shall prepare a notification of the intention to allocate financial support according to the procedure established by Article 7 of the State Aids Act.

(2) The resources for financial support shall be provided only after a positive decision on the part of the European Commission.

Section IV

Procedure for Allocation of Resources

Article 49. (1) The Council of Ministers shall adopt a decree on allocation of resources under the training project.

(2) (Supplemented, SG, No. 62/2010) In case the circumstances under Article 48 herein apply, the said decree shall be adopted and the funds shall be allocated after a positive decision of the European Commission on the provision of the financial support.

(3) (New, SG, No. 62/2010) The funds shall be allocated if the following conditions are cumulatively met:

1. at least 50 percent of the specified threshold amount of the investment for issuing the corresponding investment class certificate is implemented;
2. for reimbursement of the resources spent on the training carried out of at least 50 persons in accordance with the training project under Article 44 herein and the contract/s concluded under Article 50 herein.

Article 50. (1) (Supplemented, SG, No. 62/2010) The Council of Ministers shall adopt a decision approving the draft contracts and authorising the Minister of Economy, Energy and Tourism to conclude a contract/contracts:

1. with the investor and/or with the persons referred to in Article 17 (1) of the IPA, and/or
2. with a training organisation referred to in Article 22c (2) of the IPA, where the employer investor does not perform the training project independently.

(2) By the contract referred to in Item 1 of Paragraph (1), the employer investor shall undertake to perform the investment project and the training project, and the State shall undertake to provide resources for the eligible costs of the training project under the terms established by this Chapter.

(3) (Supplemented, SG, No. 62/2010) The contract referred to in Item 1 of Paragraph (1) shall mandatorily contain all requirements of the IPA regarding the investment project and the investor, as well as the conditions and requirements for the granting of state aid under the state aid for training scheme:

1. subject matter of the contract;
2. contracting parties;
3. title of the investment project;
4. principal rights and obligations;
5. type and amount of the investment;
6. time limit for performance of the investment project and period for maintenance of the investment;
7. number of employees who are to be trained;
8. content of training and envisaged means to be used;

17. methods of settlement of disputes between the parties;
18. grounds for early termination of the contract and rights of the party not at fault;
19. other elements on which the parties have reached agreement.

(7) The training project shall constitute an integral part of the contract referred to in Item 2 of Paragraph (1).

(8) The contracts covered under Paragraph (1) shall enter into force after a positive decision of the European Commission on provision of the financial support, if the circumstances under Article 48 herein apply.

(9) (New, SG, No. 62/2010) Standard forms of contracts under Paragraph (1) shall be made available on the internet site of the Ministry of Economy, Energy and Tourism on the basis of contracts for allocation of funds approved by the Council of Ministers.

Section V

Transparency and Monitoring

Article 51. (Supplemented, SG, No. 62/2010) The investor shall certify the eligible costs of the training project incurred by means of supporting documents within three months after implementation of the training project or in accordance with the contract under Article 50 herein.

Article 52. (Amended, SG, No. 62/2010) (1) The control over the implementation of the contract/s under Article 50 herein shall be exercised by:

1. an official authorised by the Minister of Economy, Energy and Tourism in accordance with Article 69 herein for the investment project;

2. an official authorised by the Minister of Labour and Social Policy in connection with the implementation of the training project and the fulfilling of the indicators of the investment project related to employment.

(2) The Minister of Economy, Energy and Tourism or the official authorised thereby in accordance with Paragraph (1) shall maintain the register referred to in Article 12 (3) of the State Aid Act for the financial resources granted under this Chapter, and the archive with the whole information for a period of 10 years from the date on which the financing was granted.

Chapter Seven

(Effective by 31.12.2013, see § 38 of the Transitional and Final Provisions to Council of Ministers Decree 55 of 6 March 2009 amending and supplementing the Regulations for Application of the Investment Promotion Act – SG, No. 20 of 2009)

CONDITIONS FOR PROMOTION OF INVESTMENTS IN THE EVENT OF REGIONAL AID

(Heading amended, SG, No. 20 of 2009, effective 17.03.2009)

Section I

Conditions for Exemption from Prior Notification to the European Commission

(Heading amended, SG, No. 20 of 2009, effective 17.03.2009)

Article 52a. (New, SG, No. 20 of 2009, effective 17.03.2009) (1) The regional investment aid scheme and the regional employment aid scheme, which fulfils all conditions of Chapter I, Article 12 and Chapter II, Section I of Regulation No 800/2008, shall be compatible with the common market in the meaning of Article 87, Paragraph (3) of the Treaty establishing the European Community and shall be exempt from the obligation for providing information under Article 88, Paragraph (3) of the Treaty.

(2) Individual lump sum aid, which is used only to complement aid granted under the schemes referred to in Paragraph (1) and which does not exceed 50 percent of the total aid for the investment and fulfils the conditions of Regulation 800/2008, shall be compatible with the common market in the meaning of Article 87, Paragraph (3) of the Treaty establishing the European Community and shall be exempt from the obligation for providing information under Article 88, Paragraph (3) of the Treaty.

(3) Each measure for regional aid shall explicitly contain a reference to the specific provisions of Chapter II of Regulation 800/2008 and to the national legislation on which the individual aid is based and shall be reflected in the corresponding act for granting the aid and in the contract with the beneficiary of the aid.

Article 53. (Amended, SG, No. 20 of 2009, effective 17.03.2009) (1) The regional aid intensity, expressed in present gross grant equivalent, shall not exceed the regional aid ceiling in force as at the time of granting the aid to the corresponding region under Article 13, sub-paragraph 3 of Regulation No 800/2008, in accordance with the approved regional map for the period 2007 – 2013, to the amount of 50 per cent, where:

1. pursuant to Article 13, sub-paragraph 4 of Regulation No 800/2008 the base 50 percent intensity shall be increased by 20 percentage points for aid for investments awarded to small enterprises and by 10 percentage points for aid awarded to medium-sized enterprises, with the exception of the aid granted in favour of large investment projects and regional aid for the transport sector.

2. for the purpose of calculating the intensity of the aid all data used shall be taken into account before the deductions for taxes and other fees; where the aid is in the form other than a grant, the amount of this aid shall be the grant equivalent of the aid.

(2) (Supplemented, SG, No. 62/2010) The total amount of the gross equivalent of the regional aid from all sources, received in accordance with the procedure of this Section, may not exceed the individual threshold set in Chapter I, Article 6, sub-paragraph 1, Littera (a), and sub-paragraph 2 of Regulation No. 800/2008:

1. for SME – EUR 7.5 million per undertaking per investment project;

2. seventy five percent of the maximum aid amount, which an investment with eligible costs of EUR 1 million can receive by applying the standard aid threshold valid for large enterprises in the approved regional aid map as at the date on which the aid has been provided, under Paragraph (1).

Article 54. (1) The eligible material assets shall be limited to assets relating to land, buildings, machinery and plant, and the eligible immaterial assets shall be limited to assets entailed by the transfer of technology through the acquisition of patent rights, licences, know-how or unpatented technical knowledge.

(2) To be eligible, the costs of acquisition of immaterial assets must:

1. be used exclusively in the enterprise receiving the aid;

2. be regarded as amortizable assets;

3. (Supplemented, SG, No. 20 of 2009, effective 17.03.2009) be purchased from third parties under market conditions, where the buyer is not in a position allowing him to exercise control over the seller in the meaning of Article 3 of Council Regulation (EC) No. 139/2004 on the control of concentrations between undertakings (OJ, L 24 of 29.01.2004), or vice-versa;

4. (Supplemented, SG, No. 20 of 2009, effective 17.03.2009) be included in the assets of the enterprise and remain in the enterprise receiving regional aid for at least five years or in the event of SMEs – for at least three years;

5. (Amended, SG, No. 62/2010) be new.

(3) For small and medium-sized enterprises, the full costs of investments in immaterial assets shall be taken into consideration.

(4) (Amended, SG, No. 62/2010) For large enterprises, the costs referred to in Paragraph (2) shall be eligible up to a limit of 50 per cent of the total eligible expenditure for the project.

(5) (New, SG, No. 62/2010) To be eligible, costs for acquisition of tangible assets must:

1. be used exclusively in the enterprise receiving the aid;

2. be purchased from third parties under market conditions, where the buyer is not in a position allowing him to exercise control over the seller in the meaning of Article 3 of Council Regulation (EC) No. 139/2004 on the control of concentrations between undertakings (OJ, L 24 of 29.01.2004), or vice-versa;

3. be included in the assets of the enterprise and remain in the enterprise receiving regional aid for at least five years or in the event of SMEs – for at least three years;

4. be new.

(6) (New, SG, No. 62/2010) In the transport sector the costs on transport vehicles and facilities shall not be eligible assets.

Article 55. (1) The ceilings fixed under Article 53 (1) herein shall apply to the aid intensities calculated either as a percentage of the eligible costs of material and immaterial assets covered under Article 54 herein or as a percentage of the estimated labour remuneration costs of the persons hired, calculated over a period of two years, for jobs directly created by the investment project.

(2) The two methods of calculation referred to in Paragraph (1) may be combined, provided the aid does not exceed the most favourable amount resulting from the separate application of either method.

(3) Aid payable in several instalments shall be discounted to its value at the moment of granting of the said aid, using for discounting purposes a reference interest rate set by the European Commission at the time of grant of the aid.

Article 56. (1) The costs related to the acquisition of assets under lease, other than land and buildings, shall only be taken into consideration if the lease takes the form of financial leasing and contains an obligation to purchase the assets at the expiry of the term of the lease.

(2) The lease of land and buildings must continue for at least five years, or three years in the case of small and medium-sized enterprises, after the anticipated date of the completion of the investment project.

Article 57. (Amended, SG, No. 20 of 2009, effective 17.03.2009) (1) In the cases where the aid is calculated on the basis of labour remuneration costs, the employment shall comply cumulatively with the conditions of Chapter I, Article 12, Paragraph (3) of Regulation No 800/2008:

1. it shall be directly linked to the implementation of the investment project;

2. the investment project shall lead to a net increase in the number of employees in the undertaking/organisation concerned, compared with the average number of employees over the previous 12 months;

3. the employment created shall be maintained during a minimum period of five years in the case of large enterprise and a minimum period of three years in case of SMEs.

Article 58. This Section shall not apply in respect of the aid contingent upon the use of domestic in preference to imported goods, as well as to investments in export-related activities towards third countries or towards other Member States of the European Union which are directly linked to the quantities exported, to the establishment and operation of distribution networks or to other current expenditures linked to the export activity.

Section II Cumulation

Article 59. (1) The ceilings of aid fixed under Article 53 (1) herein shall apply to the total amount of public support for the aided project, regardless of whether the said support is financed from municipal, regional, national or Community sources.

(2) Regional investment aid, which satisfies the conditions under this Chapter, shall not be cumulated with any other State aid within the meaning given by Article 87 (1) of the Treaty or with other Community or national funding, nor with any *de minimis* aid within the meaning given by Item 3 of § 1 of the Supplementary Provision of the State Aids Act in respect of the same eligible costs, if such cumulation would result in an aid intensity exceeding that fixed under Article 53 (1) herein.

Section III Aids Subject to Prior Notification to the European Commission

Article 60. (1) The aid granted in favour of large investment projects under this Chapter shall be subject to prior notification if the total amount of the aid from all sources exceeds 75 per cent of the maximum amount of aid which an investment project with eligible expenditure of the lev equivalent of EUR 100 million could receive, applying the standard aid ceiling in force at the amount of 50 per cent.

(2) (Repealed, SG, No. 20 of 2009, effective 17.03.2009).

(3) (Amended, SG, No. 62/2010) Individual notification to the Commission under Paragraph (1) shall be effected by the Minister of Economy, Energy and Tourism or the official authorised thereby under Article 69 (1) herein, or by another executive authority, granting the aid. The notification shall be made in accordance with the procedure established by Article 7 of the State Aids Act.

Section IV

Transparency and Monitoring

Article 61. (1) (Supplemented, SG, No. 62/2010) In the cases where regional investment aid is granted in favour of large investment projects and the said aid is below the threshold for individual notification under Article 60 (1) herein, information laid down according to the Annex hereto shall be prepared within three days after the date on which the competent authority: the Minister of Economy, Energy and Tourism or the Executive Director of the Agency, or another executive authority, granted the aid.

(2) The information referred to in Paragraph (1) shall be transmitted to the Commission according to the procedure established by the State Aids Act and the Regulations for Application of the said Act.

(3) (Amended, SG, No. 62/2010) The Minister of Economy, Energy and Tourism or a person authorised thereby, or another executive authority granting the aid shall maintain the register referred to in Article 12 (3) of the State Aids Act in respect of the aids granted according to the procedure established by this Chapter, including information on the status of the enterprise.

(4) The information referred to in Paragraph (3) shall be stored in the course of ten years from the date on which the individual aid was awarded under such scheme.

(5) The competent authority specified in Paragraph (3) or an official empowered thereby shall prepare a report regarding the application and implementation of the conditions under this Chapter for each complete calendar year or part thereof, publishing the full text of the aid scheme and communicating to the Commission the Internet address of the publication.

(6) The said report shall be transmitted to the Commission according to the procedure established by the State Aids Act.

Chapter Eight

(New, SG, No. 62/2010)

PRIORITY INVESTMENT PROJECTS

Article 62. (New, SG, No. 62/2010) (1) Priority investment projects referred to in Article 22f (1) of the IPA shall be implemented in all economic activities in accordance with Article 2 (2), Item 3 and Article 2 (5) – (6).

(2) The classification of economic activities under Paragraph 1 and the products manufactured as a result of the investment shall be determined in accordance with the procedure specified in Article 2, Paragraphs (3) and (4).

(3) Priority investment projects referred to in Paragraph (1) and investors applying for them shall meet the following requirements:

1. the threshold amount of the investment which meets the conditions of Article 12 of the IPA within any single establishment in the meaning of § 1, Item 7 of the Supplementary Provisions of the IPA shall be as specified in Article 63 herein, taking into account the possibilities for decreasing the investment by up to 50 percent in accordance with the conditions laid down in Article 64 herein;

2. they shall create and maintain employment, directly created as a result of the investment project, in accordance with Item 7 of Article 12 (2) of the IPA, with a minimum number of people employed defined in accordance with Article 64 (1) – (4) herein;

3. they shall meet the specific requirements related to investment projects for industrial zones and technological parks;

4. the investors applying for priority projects shall meet the requirements of Article 13 – 13a of the IPA and shall submit the documents under the conditions and in accordance with the procedure specified in Chapter Two, Sections One and Two herein, also verifying the requirements set out in this Chapter;

5. for applying the measures for promoting investment projects, all conditions for eligible state aid under the training scheme and regional development scheme shall be met in compliance with the requirements of Regulation No. 800/2008.

Article 63. (New, SG, No. 62/2010) (1) The threshold amount of investments within a single establishment shall be BGN 100 million, except for the cases set out in Paragraphs (2) – (5).

(2) The threshold amount of investments within a single establishment shall be BGN 50 million in the events where the priority investment project is implemented:

1. within the administrative boundaries of municipalities where the rate of unemployment for the year last preceding the current year is equal to or higher than the national average, as defined in the list referred to in Article 3 (8) herein;

2. within high technology activities in the processing industry, specified in Article 3 (5) herein;

(3) The threshold amount of investments shall be BGN 20 million within a single establishment in the field of high technology and knowledge-intensive services specified in Article 3 (6) herein.

(4) The threshold amount of investments within a single establishment for a priority investment project for the development of an industrial zone and its development into an industrial park through attracting of investments shall be BGN 70 million, and:

1. the following shall be included in the amount of investments:

a) investments in the processing industry for a total amount of not less than 40 percent of the threshold amount specified;

b) investments in land and technical infrastructure for the development of the industrial zone; expenditure on the clearing and preparation of the building site in the event of unused old buildings or unfinished construction, or environmental pollution, and for levelling of the site shall also be eligible;

c) investments in high technological and knowledge-intensive services specified in Article 3 herein shall also be eligible;

d) other investments which serve as a top-up to achieve the threshold amount of investments, in an amount not exceeding 10 percent of the threshold amount specified;

2. when the investments in economic activities and their combination for the development of an industrial zone and its development into an industrial park are identified, the requirements for the development of industrial territories defined as “purely industrial” or “primarily industrial” in accordance with the procedure of Articles 24 and 25 of Ordinance No. 7 from 2003 on the rules and standards for the structure of individual types of territories and development zones (promulgated, SG, No. 3/2004; amended and supplemented, No. 10/2005; Ruling No. 653 of the Supreme Administrative Court from 2005 – No. 11/2005; amended and supplemented, No. 51/2005; Ruling No. 7028 of the Supreme Administrative Court from 2005 – No. 63/2005; amended and supplemented, No. 41/2008), shall be taken into account, in accordance with Item 12 of § 1 of the Supplementary Provisions of the IPA.

(5) The threshold amount of investments within a single establishment for a priority investment project for the development of a technological park shall be BGN 30 million, and:

1. the following shall be included in the amount of investments:

a) not less than 30 percent investments in research and development, in information technologies and services, in education and human healthcare under Article 3 (6) herein, for transfer of technologies and innovations;

b) investments in start-up innovative enterprises in the production field in the sectors with Codes C, D and E, as well as in the other economic activities from the sector with Code J – “Professional Activities and Research”; Code M – “Development and broadcasting of information and creative products; telecommunications”, defined as high technology and knowledge-intensive services;

c) investments in land, buildings and technical infrastructure for the development of the technological park; expenditure on the clearing and preparation of the building site in the event of unused old buildings or unfinished construction, or environmental pollution, and for levelling of the site shall also be eligible;

2. when the investments in economic activities and their combination for the development of a technological park are identified, the requirements for the development of territories from the “high technological industrial zone” variety (technological parks and other similar) in accordance with the procedure of Articles 24 and 25 of Ordinance No. 7 from 2003 on the rules and standards for the structure of individual types of territories and development zones shall be taken into account, in accordance with Item 13 of § 1 of the Supplementary Provisions of the IPA.

(6) Where the investment in a certain priority project falls simultaneously within the cases specified in Paragraphs (2) – (5), the investor shall be entitled to choose the option for a threshold amount of investments which is more favourable for him, while also complying with the other conditions set out in Article 64 herein.

Article 64. (New, SG, No. 62/2010) (1) Priority investment projects shall create and maintain employment, and the minimum average annual number of people employed, as from the date of the completion of the investment, shall be:

1. two hundred people employed under Article 63 (1) herein;
2. one hundred people employed for investments in municipalities with high level of unemployment, high-tech production and development of industrial zones under Article 63 (2) and (4) herein;
3. fifty people employed in high technology and knowledge-intensive services and for technological parks under Article 63 (3) and (5) herein.

(2) In the events where the investment project envisages employment, higher than that specified in Items 1 and 2 of Paragraph (1), for each 100 people employed the threshold amount of investments required shall be decreased by 10 percent. In this case the amount of investments cannot be lower than 50 percent of the threshold amount specified for these projects.

(3) In the events where the investment project envisages employment, higher than that specified in Item 3 of Paragraph (1) and Paragraph (5), for each 50 people employed the threshold amount of investments required shall be decreased by 10 percent. In this case the amount of investments cannot be lower than 50 percent of the threshold amount specified for these projects.

(4) The employment created shall be maintained for a period of 5 years for large enterprises and technological parks and 3 years for medium-sized and small enterprises, as from the date of implementation of the investment project.

(5) The requirement of Paragraphs (1) and (4) related to employment shall not apply in the cases where employment is created for at least one year, defined as an average annual number of people employed over the three-year period of project implementation, as from the date of issuing of the certificate, and:

1. the threshold amount of the investment is BGN 100 million and more than 300 new jobs are created;
2. the threshold amount of the investment is BGN 50 million, more than 150 new jobs are created and the investment is implemented entirely within the administrative boundaries of the municipalities in the list referred to in Article 3 (8) herein.

(6) In the events where the investment project envisages employment, higher than that specified in Paragraph (5), for each 100 people employed the threshold amount of investments required shall be decreased by 10 percent. In this case the amount of investments cannot be lower than 50 percent of the threshold amount specified for these projects.

Article 65. (New, SG, No. 62/2010) The investor applying for a certificate for a priority investment project shall submit to the InvestBulgaria Agency all documents under the conditions and in accordance with the procedure set out in Chapter Two herein, also verifying the requirements set out in Paragraphs (2) – (5).

(2) Applicants which are consortia of at least two entities, which are directly responsible for the implementation of the project activities and do not act in the capacity of intermediaries, shall be entitled to apply for construction and development of technological parks or for construction and development of an industrial zone into an industrial park.

(3) In the consortium referred to in Paragraph (2) for construction and development of a technological park at least one of the entities listed below shall participate:
